

San Jorge to Ometepe

Ferries take cars which MUST be booked in advance. Boats take foot passengers only

The crossing takes about an hour. Either port can be used to reach us, but San José is a little closer. For guests who book our airport-to-Casa service, we will arrange a taxi to the port at San Jorge, and then meet the boat at the Ometepe port in our own transportation, so you do not need to book a car ferry.
